FIT5196 Assessment 1 – Data Wrangling

Unit: FIT5196 | Assessment: A1 (35%) | Semester: S1 2026

Important Notice

If you or any member of your group has used **Generative AI tools** (e.g. ChatGPT, Claude, Copilot, Gemini, or any other AI-assisted writing/coding tools) in any way while completing this assessment, you **must**:

1. Submit a **complete AI conversation history / interaction record** (in English) covering **all** conversations or interactions with AI tools used for this assessment.
2. Clearly indicate in your report or declaration which parts of your work were produced or assisted by AI.

Failure to submit the required AI conversation history when AI has been used may result in:

- Mark deductions
- Academic integrity procedures

If you did **not** use any Generative AI tools for this assessment, you must still complete and sign this declaration to confirm that no AI tools were used.

Declaration

By signing below, I confirm that:

I have read and understood the above notice.

If I used AI tools: I have submitted a complete AI conversation history / interaction record (in English) with this assessment.

If I did not use AI tools: I confirm that no Generative AI tools were used in completing this assessment.

I understand that failure to submit the required records (when AI was used) may result in penalties as described above.
